

## THE 3<sup>rd</sup> BALTIC METABOLIC GROUP MEETING

2008-03-26

*Venue: Vilnius University Hospital Santariškių Clinics, Santariškių str.2, Vilnius, Lithuania*

*13.00 -13.30 – Registration*

13.30 -13.45 – **Welcome addresses** (assoc.prof. K. Õunap, Tartu, Estonia)

13.45 -14.15 – **Inborn Errors of Purine and Pyrimidine Metabolism** (assoc.prof.dr. L.Spaapen, Maastricht University Hospital, the Netherlands)

14.25 -14.40 – **Inborn errors of lipoprotein metabolism: actualities of diagnostics and treatment of familial chylomicronaemia** (B. Skerlienė, Vilnius, Lithuania)

*14.45 - 15.00 – coffee break*

15.00 - 15.30 - **Neurological Diseases and Inborn Errors of Metabolism in Adolescents and Adults** assoc. Prof. Dr. L.Spaapen, Maastricht University Hospital, the Netherlands)

15.40 -15.55 – **The suspicion of CDG Ia in one neonate** (K. Õunap, Tartu, Estonia).

16.00 -16.15 – **LCHAD deficiency – case report** (K. Joost, Tallinn, Estonia).

16.15 -17.30 - Unknown cases.

17.30 - 18.00 – discussion (current matters of Baltic metabolic group)

2008 03 27

**THEME: DIAGNOSTICS AND TREATMENT OF LYSOSOMAL DISEASES IN  
BALTIC STATES:  
CURRENT STATE AND PERSPECTIVES**

*Venue: Vilnius University Hospital Santariškių Clinics, Santariškių str.2, Vilnius, Lithuania*

*8.00 - 9.00 – Registration*

9.00 - 9.15 – **Welcoming addresses** (prof. Dr. V.Kučinskas, Vilnius, Lithuania)

9.15 - 10.00 – **The clinical recognition and laboratory diagnostics of lysosomal storage diseases** (dr. Ed Wraith, Manchester, United Kingdom).

10.10 - 10.55 – **Enzyme replacement therapy in lysosomal diseases** (prof. T. Marquardt, Muenster, Germany)

*11.05 – 11.20 – coffee break*

11.20 -11.40 – **Lysosomal diseases in Lithuania** (B.Tumienė, Vilnius, Lithuania)

11.45 -12.05 – **Lysosomal diseases in Latvia** (dr.L. Kornejeva, Riga, Latvia)

12.10 -12.30 – **Lysosomal diseases in Estonia** (K. Õunap, Tartu, Estonia).

*12.35 -13.15 – lunch*

13.15 – 13.30 – **Urinary GAG quantitative analysis and electrophoresis – experience in Estonia** (K. Krabbi, Tallinn, Estonia).

13.40 – 13.55 – **MPS VI: clinical and biochemical review of 6 patients** (dr. J.Songailienė, Vilnius, Lithuania).

14.00 – 14.15 – **Seven cases of mucopolidoses II and III: range of clinical severity** (assoc.prof.dr. L.Cimbalistienė, Vilnius, Lithuania).

14.20 – 14.35 – **Tay-Sachs disease – case report presentation** (R. Zordania, Tallinn, Estonia).

14.40 – discussion, plans for the next meeting, closing remarks.
