

## BALTIC METABOLIC GROUP MEETING

### Basic concepts of mitochondrial biology and clinical picture of mitochondrial disorders

#### 29th March

- 11.30-12.00 Registration and coffee
- 12.00-12.45 Dr. Richard Rodenburg (Nijmegen, The Netherlands): Basic concepts of mitochondrial biology
- 12.45-13.30 Dr. Eva Morava (Nijmegen, The Netherlands): The clinical picture of mitochondrial disorders
- 13.30-14.00 A case report: Dr. Ulvi Vaher (Tartu): Clinical presentation of mitochondrial disease in infant.  
Prof. Enn Seppet (Tartu): Mitochondrial functional studies of this child.
- 14.00-14.45 Lunch
- 14.45-15.15 Dr. Kairit Joost (Tallinn), Diagnostic algorithm for mitochondrial disorders in Estonian children
- 15.15-15.45 Zanda Daneberga (Riga), Riboflavin responsive defect of mitochondrial origin
- 15.45-16.15 Birute Tumiene (Vilnius), A case of mitochondrial encephalomyopathy due to previously not described mtDNA mutation.
- 16.15-17.00 Dr. Richard Rodenburg (Nijmegen, The Netherlands), Diagnostics of mitochondrial disorders
- 17.00-17.30 Coffee
- 17.30-18.30 Excursions in the "AHHAA" science centre
- 19.00 Dinner in the "Werner Café-Lounge", 11 Ülikooli street, Tartu

#### 30th March

- 09.00-10.00 Dr. Eva Morava (Nijmegen, The Netherlands): Congenital defects of glycosylation
- 10.00-10.30 Baiba Lace (Riga): Experience with CDG patients in Latvia.
- 10.30-11.00 Katrin Õunap (Tartu): Experiences with CDG patient(s) in Estonia
- 11.00-11.30 Coffee
- 11.30-12.00 Jurgita Songailiene (Vilnius): Iatrogenic glutaric aciduria type II: case report.
- 12.00-12.30 Kristina Kall (Tallinn): Biochemical changes in the patients with diagnosed mitochondrial diseases.
- 12.30-13.00 [Lithuania](#)
- 13.30-14.00 [Latvia](#)
- 14.00-14.45 Lunch
- 14.45-16.00 Unknown problematic cases

#### Registration:

Please register latest on 05<sup>th</sup> March 2012 by email to Karit Päärson, email: [kart.paarson@kliinikum.ee](mailto:kart.paarson@kliinikum.ee). Please note of you participate in the dinner.
